A BILL FOR

An Act to amend section two hundred seventy-nine point
thirty-four (279.34), Code 1946, relating to powers
and duties of, school directors.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section two hundred seventy-nine point
- 2 thirty-four (279.34), Code 1946, is hereby repealed.

EXPLANATION OF H. F. 197

This section requires that secretaries of school boards shall prepare and cause to be published if there is a newspaper in his district, a quarterly report of all warrants drawn by him, showing to whom drawn, the amounts and the reasons therefor. The reason for asking for the repeal of this section is that the section is not only unnecessary, an unwarranted expense and has very little value. The records of the secretary are always open for inspection by anyone. These reports are scantily read and the service these reports render is not worth the expense of publication, nor the expenditure of time required in preparing them.
